UNITED CHROME CO.

CONSTRUCTION • CONTRACTING • INTERIOR FIT-OUT

OUR VISION

To be the most trusted and preferred partner in construction and interior fit-out solutions across the region, recognized for our quality, innovation, and commitment to excellence.

OUR MISSION

To deliver exceptional construction and interior fit-out projects that create value for our clients and communities through quality workmanship, efficient processes, and professional integrity.

OUR STRATEGIC PILLARS

CLIENT FOCUS

We put our clients at the center of everything we do, delivering solutions that meet their needs and exceed their expectations.

QUALITY EXCELLENCE

We are committed to the highest standards of quality in every project, at every stage.

TEAMWORK

We believe in the power of collaboration and our people, working together to achieve outstanding results.

SAFETY & INTEGRITY

We maintain the highest levels of safety, ethics, and transparency in all our operations.

INNOVATION

We embrace innovation and modern solutions to improve performance, enhance efficiency, and create lasting value.

OUR COMMITMENT

At United Chrome Co., we are committed to building long-term relationships with our clients based on trust, performance, and mutual success.

We take pride in every project we deliver and strive to leave a positive, lasting impact on our clients, our people, and the communities we serve.

HIGH QUALITY STANDARDS

We ensure superior quality in every detail.

ON TIME DELIVERY

We value time and are committed to deadlines.

COST EFFICIENCY

We deliver maximum value with optimal resources.

TURNKEY SOLUTIONS

From concept to completion, we handle it all.

OUR PROJECTS

We take pride in delivering exceptional projects for leading international brands. Each project reflects our commitment to quality, precision, and attention to every detail.

STEEL STRUCTURE WORKS

ENGINEERING • FABRICATION • INSTALLATION

United Chrome has extensive experience in executing **steel structure works** for commercial, industrial, and architectural projects, delivering reliable structural solutions from fabrication through to on-site installation.

OUR CAPABILITIES

STRUCTURAL STEEL FABRICATION

Precision cutting, drilling, welding and assembly in our controlled workshop.

STEEL COLUMNS & BEAMS

High quality steel sections designed and fabricated to meet project requirements.

ROOF & CANOPY STRUCTURES

Reliable and durable roof and canopy solutions for various applications.

MEZZANINE STRUCTURES

Functional mezzanine systems that maximize usable space.

STEEL STAIRCASES & PLATFORMS

Custom built staircases, landings and working platforms.

STEEL FRAMES & SUPPORTING STRUCTURES

Complete steel frame solutions for all types of buildings.

ERECTION & INSTALLATION

Safe and efficient on-site erection by experienced installation teams.

STRUCTURAL CONNECTIONS & BOLTING

High strength bolted and welded connections for maximum stability.

PROTECTIVE COATING & FINISHING

Surface preparation and painting to ensure long-term performance.

SITE COORDINATION & QUALITY CONTROL

Strict quality control and coordination to ensure accuracy and timely delivery.

BUILT TO LAST.

Our steel structures are engineered for strength, precision and durability, delivered on time with the highest standards of safety and quality.

OUR APPROACH

From detailed engineering and precision fabrication to safe installation and final delivery, we manage every step with accuracy, efficiency and commitment to exceed client expectations.

PORT QUAY PAVING WORKS

BUILT TO WITHSTAND. ENGINEERED TO PERFORM.

United Chrome Co. specializes in the construction and installation of port quay paving systems designed to withstand heavy loads, harsh marine environments, and intensive operational conditions.

OUR SERVICES

QUAY PAVING INSTALLATION

Installation of high-performance interlocking concrete blocks for port quays, berths, and operational areas.

BASE PREPARATION

Excavation, grading, and compaction to achieve a stable and durable foundation for heavy load conditions.

CURB & EDGE RESTRAINTS

Installation of edge restraints, kerbs and structural borders to secure paving and withstand lateral forces.

HEAVY DUTY INTERLOCKING BLOCKS

Supply and installation of high strength interlocking blocks suitable for extreme marine and industrial environments.

JOINTING & SAND FILLING

Precise jointing with high quality sand filling to ensure stability, load distribution and long-term performance.

QUALITY CONTROL & TESTING

Continuous quality checks and load performance testing to ensure compliance with international standards.

WHY CHOOSE US?

Experience in marine and port infrastructure projects

High performance materials and proven systems

Skilled workforce and specialized equipment

Strict adherence to safety and quality standards

On-time delivery with long-term durability
